WHAT IS COACHES PAY COACHES?

A quick orientation before you dive in — what this platform is, and what it isn't.

COACHES HELPING COACHES

A marketplace where coaches share practice plans, drills, and know-how with each other — and get paid when their work helps someone else's team.

LEARN

Browse practice plans, drills, and coaching resources from coaches across every sport and experience level.

SHARE

List what you've built — your systems, your drills, your notes — and make them available to other coaches.

EARN

Get paid automatically whenever a coach downloads something you've listed. Payments go straight to your bank via Stripe.

You can be a buyer, a seller, or both — most coaches start as one and add the other later. There's no cost to browse, and no cost to sign up.

STEP ONE

CREATING YOUR ACCOUNT

Signing up takes under a minute.
Here's what you'll be asked for.

SIGN UP

Go to coachespaycoaches.org and click Get Started.

1 ENTER YOUR NAME AND EMAIL

Your name is what other coaches will see on your profile and listings.

2 CHOOSE A PASSWORD

At least 6 characters. You can change it anytime from Account Settings.

3 PICK YOUR ROLE: BUYER, SELLER, OR BOTH

This determines what you see first, but doesn't lock you in — you can start selling later even if you begin as a buyer only.

4 CONFIRM YOUR EMAIL

Check your inbox for a confirmation link. You'll need to click it before you can sign in.

STEP TWO

SETTING UP YOUR PROFILE

A complete profile builds trust with buyers and sellers alike — it's worth doing before you list or buy anything.

YOUR COACH PROFILE

Found under Dashboard → My Store (sellers) or by clicking your name anywhere on the site.

①

PROFILE PHOTO

Upload a clear photo of yourself. JPG, PNG, or GIF, up to 5MB. A real photo builds far more trust than an initial badge.

②

YOUR BIO

Up to 250 characters. Mention your sport, your background, and what kind of coaching content you focus on.

③

VERIFICATION BADGE

Our team may verify active, trusted sellers over time — a small mark of credibility next to your name.

④

FOLLOWERS

Other coaches can follow you to see new listings. Building a following pays off the more you share.

BROWSING & BUYING

Finding the right resource and checking out — start to finish.

FIND WHAT YOU **NEED**

1

GO TO MARKETPLACE

Search by keyword, or filter by sport, category, and price. Sort by newest or price if you're browsing broadly.

2

OPEN A LISTING YOU LIKE

Read the full description, check the seller's ratings and reviews, and confirm the price before buying.

3

CLICK BUY AND CHECK OUT WITH STRIPE

Secure checkout — Coaches Pay Coaches never sees or stores your card details directly.

4

DOWNLOAD INSTANTLY

Your purchase appears immediately in My Library, ready to download.

FOR BUYERS

YOUR LIBRARY

Everything you've purchased, in one place, forever.

MY LIBRARY

Found in the nav under My Library once you're signed in.

REDOWNLOAD ANYTIME

Purchases don't expire — come back and download a file again whenever you need it, even years later.

LEAVE A REVIEW

After a purchase, you can rate and review the resource — this helps other coaches and helps sellers improve.

MESSAGE THE SELLER

Have a question about what you bought? Message the coach directly from the listing or their profile.

FOR SELLERS

CONNECTING STRIPE

Required before you can sell — this is how you actually get paid.

GET SET UP TO GET PAID

Go to Dashboard → My Store → Connect Stripe.

1

CLICK CONNECT STRIPE

You'll be taken to Stripe's own onboarding flow — Coaches Pay Coaches never sees your bank details.

2

ENTER YOUR BUSINESS OR PERSONAL INFO

Stripe needs this to verify your identity and send you real payouts.

3

ADD YOUR BANK ACCOUNT

This is where your earnings land — usually within a few business days of a sale.

4

YOU'RE READY TO SELL

Once connected, the Create Listing button unlocks. You can revisit your Stripe settings anytime from My Store.

YOUR FIRST LISTING

What you'll need before you start, and what makes a listing sell.

LIST YOUR RESOURCE

TITLE & DESCRIPTION

Title up to 100 characters, description up to 1,000. Be specific — "U10 Zone Defense Playbook" beats "Basketball Drills."

SPORT & CATEGORY

Pick the closest match from the list so the right coaches can find you when they filter or search.

PRICE

\$3 minimum for paid listings, or \$0 for a free resource — a great way to build reviews and followers early on.

FILES

Thumbnail image up to 5MB (optional), resource file up to 100MB. Documents, PDFs, images, and videos all work.

A thumbnail image significantly increases how often a listing gets clicked — it's optional, but worth adding.

GUIDELINES & REPORTING

Keeping the platform a place coaches actually want to be.

KEEP IT COACH-TO-COACH

Every post, listing, and message should reflect real coaching value — not spam, and not anything that wouldn't belong in a locker room.

KEEP IT RELEVANT

Listings and posts should be genuinely about coaching — drills, plans, systems, and real expertise.

BE RESPECTFUL

No harassment, no inappropriate content. Coaches should feel safe talking to and buying from each other.

HOW TO REPORT SOMETHING

Every post, listing, and message has a small "Report" option. Choose a reason, add an optional note, and our team reviews it directly from the admin panel — most reports are reviewed within a day.

SETTINGS & SECURITY

Managing your login and keeping your account secure.

ACCOUNT SETTINGS

Found in the footer of any page once you're signed in.

CHANGE EMAIL

Update your login email anytime. You'll get a confirmation link at the new address before it takes effect.

CHANGE PASSWORD

Set a new password whenever you'd like — no need to remember the old one once you're signed in.

FORGOT PASSWORD?

Use the reset link on the sign-in page. A secure link is sent to your email, valid for one hour.
